

MARSHALL MUSTANG NEWSLETTER

Marshall Elementary School

Parents,

- We are so excited to start a new year! In particular a year with not so many COVID restrictions! Thank you so very much for trusting your students with us!
- Let me begin with letting you know some of restrictions that have been removed:
 1. Students will be able to return to the playground before school starts. Gates will open at 7:15 and school starts at 7:45. Breakfast is available at that time.
 2. Classrooms will look more normal, with some distancing if possible. Rugs will be back in classrooms.
 3. Field trips will be allowed.
 4. Masks are not required.
 5. Lunch schedule will be back to normal and not extended.
 6. Dismissal will be the same, students will be released on the West side at 1:55 PM MTTHF and 12:55 PM on Wednesdays. Kindergarten will be outside earlier at 1:45 and 12:45.
 7. Volunteers and parents are allowed on campus.
 8. Meetings may still be remote, including parent teacher conferences.
 9. Events can be in person.
 10. After school programs will resume. More information to come.
- AUGUST 4th from 4:00-6:00 PM– ICE CREAM SOCIAL-Parents come in during this time to meet your teacher. Rosters will be in front hallway.
- AUGUST 5th– FIRST DAY OF SCHOOL– Also, **kindergarten parents** will meet right after drop-off in the library for a quick Q & A and light breakfast.
- There will be after school clubs starting soon. Chess, science, track and possibly a few more. We are always looking for volunteers to come by and start a club.
- Please remember to keep your child at home if they are showing symptoms of being sick or not feeling well. It is important that we are still vigilant about the spread of COVID and taking care of each other.
- I'm sure there are plenty of questions. Please feel free to email me at Christopher.loya@tusd1.org. We can set up a phone call too if necessary.

-Dr. Loya
